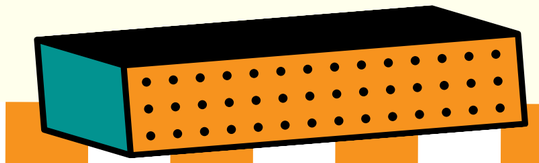
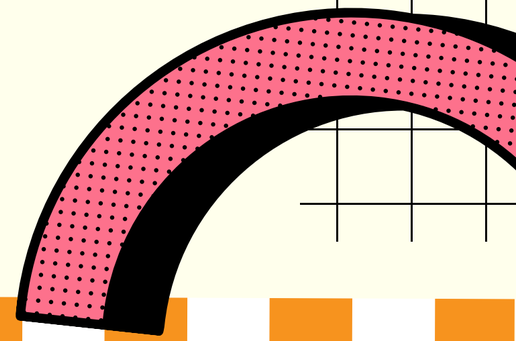
CREATIVE PORTOFOLIO

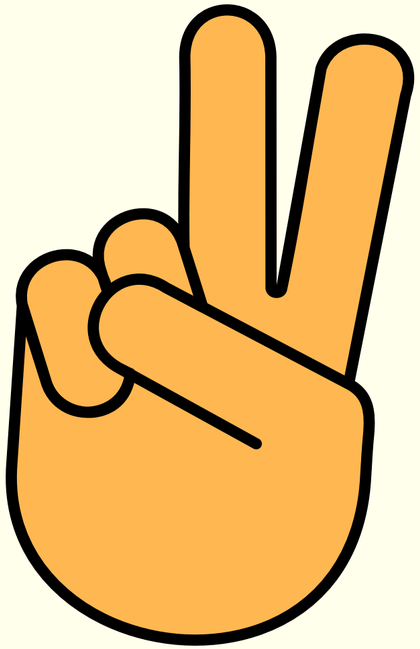
Halimah Salsabila

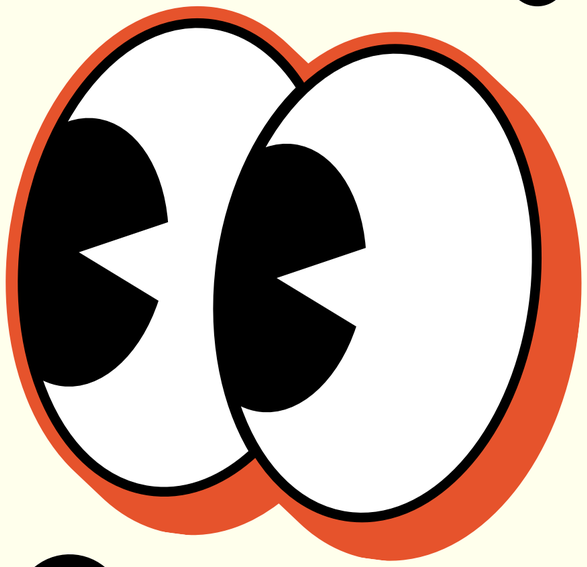




ABOUT ME

I am a 6th semester student in informatics engineering at Universitas Negeri Semarang . Experienced in machine learning projects. I have strong skills in data processing . I am also a quick and adaptable learner, and I have the ability to work independently and as part of a team. I am very enthusiastic about the opportunity to use my skills and knowledge for a career in data analysis or data science.





EDUCATION

Universitas Negeri Semarang

Teknik Informatika
Agustus 2021 - Present

SMA N 15 SEMARANG

IPA
Juni 2019 - Juni 2021

ORGANISATIONAL EXPERIENCE

The following is an example of organisational experience for a creative portfolio presentation:

Himpunan Mahasiswa Ilmu Komputer - Kepala Biro SPI

January 2023 - February 2024

The SPI Bureau is a bureau that is responsible for the management and maintenance of infrastructure and inventory of Hima Ilkom.

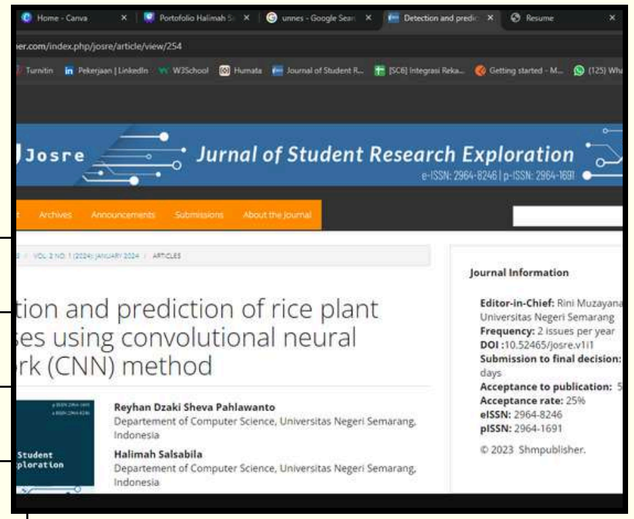
Himpunan Mahasiswa Ilmu Komputer - KURT 2

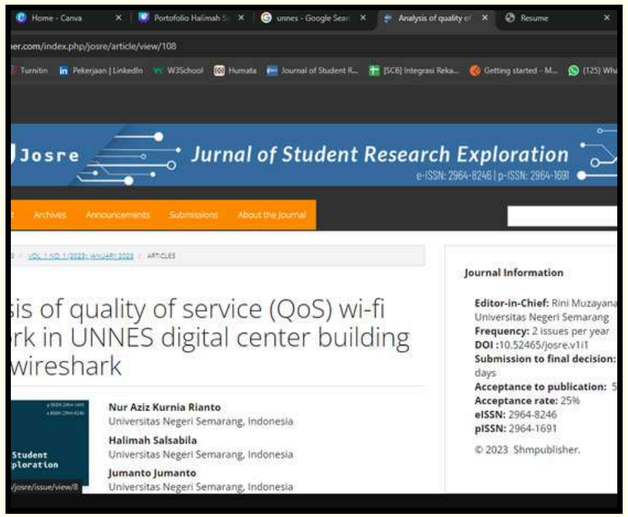
January 2022 - February 2023

KURT is responsible for all Hima Ilkom inventory matters. KURT is also the one who recaps and stores important document archives during the management period.

ORGANISATIONAL EXPERIENCE

PROJECT PORTFOLIO

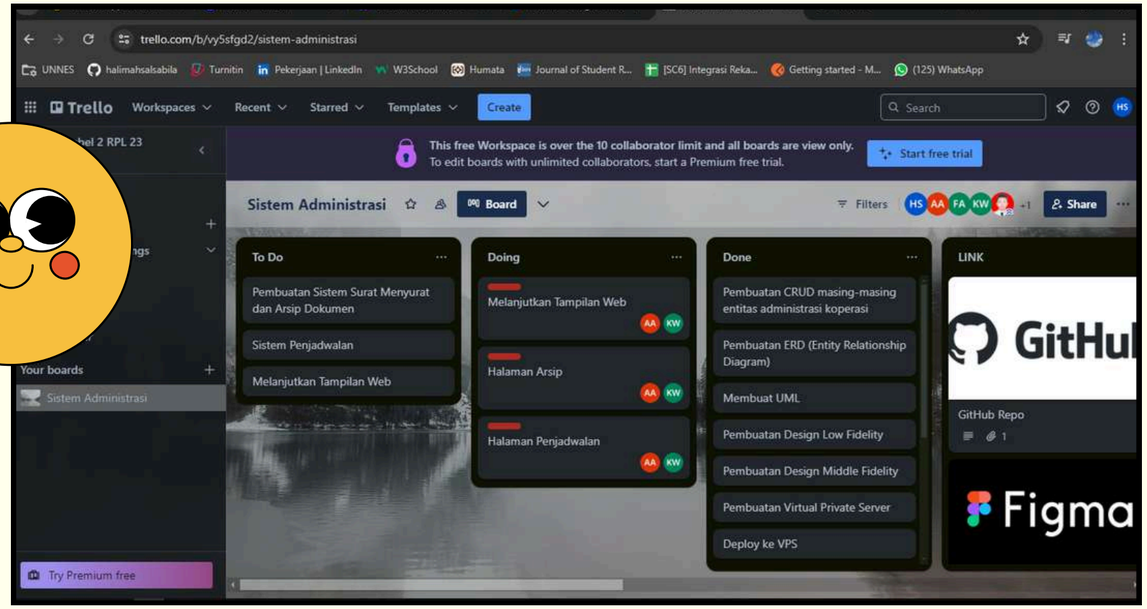


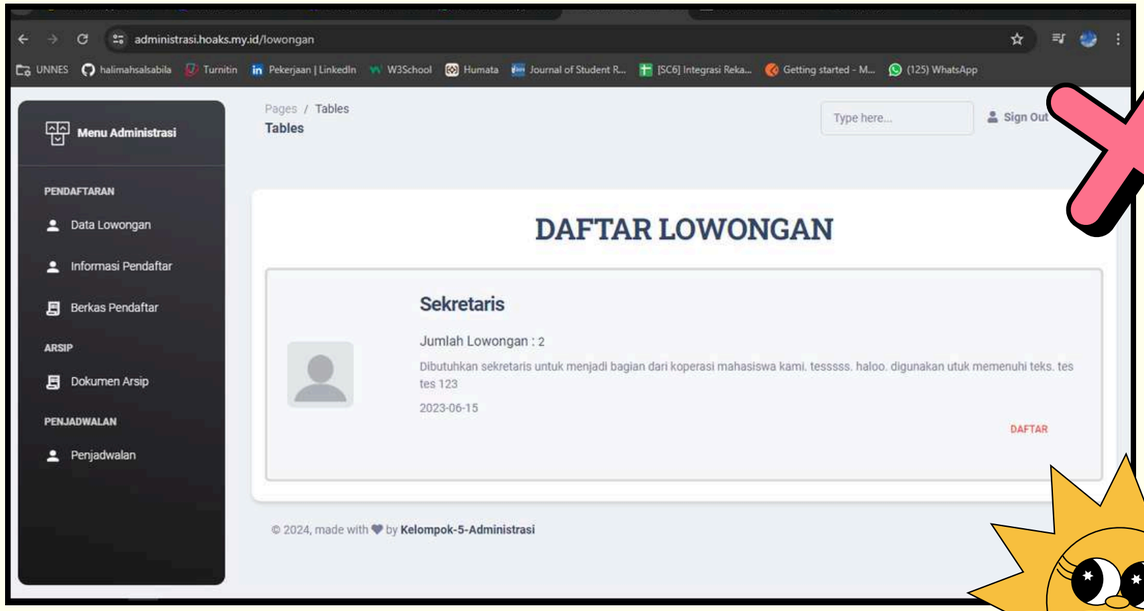


There have been several times to write journals.

I am grateful for the opportunity to document my thoughts and experiences through journaling.

PROJECT PORTFOLIO





Software Enginering

: created a project for a software engineering course, which involved creating a cooperative system and working with the tim

PROJECT PORTFOLIO

take part in independent studies by taking data science and artificial intelligence by making assignments given by
each individual.
al project from an independent study of startup campus data science and artificial intelligence, created using the Linkdin dataset entitled Industrial Labor Market Analysis. carried out by a team of 6 people, which is currently nearing the end of the final project.

Data Science
